Write down which teacher training you think was the best

- Critical thinking
- Tutte
- New technological methodologies
- The best was been the comprehension of the tests, the comunication in English language.and improving the methodological skills
- Competenze linguistiche e comunicative
- Tic
- I enjoyed most the teacher training which took place in Split, whose topic was the critical thinking
- Maltese teacher
- Immersal skill
- the linguistic training
- Knowledge of the language
- Critical thinking
- In my opinion the training project on digital skills, as it introduced me to many tools and software useful for digital teaching
- I appreciated the delegating style which promoted learning through empowerment.
- Emotional learning
- Lorenza
- Improving English language skills
- I liked most the discussing style because I think learning through interaction is easier and funnier. I'm really interested when someone encourages my critical thinking and discussion.
- Plickers skill
- Moira

Write what aspect you think was not really positive or well organised during this project

- Nothing
- Everything was well organised
- È stato positivo

- Everything has been very well organized
- I think was positive a longer course duration.
- Tutto ok
- excellent organisation
- I think that all the trainings I experienced have an important effect on my professional growth, as they were well organized and really motivating
- Nothing
- Everything was well organised
- More time available
- I didn't find negative aspects. Everything was well organised
- As far as I'm concerned, everything was organized perfectly
- The teacher often assigned tasks that we worked on independently and individually. I would have appreciated it more if we had been in groups.
- Everything was perfect
- Sharing hotel room with other colleagues.
- Everything ok
- Our house was too far from the school
- nothingh
